

CURRICULUM VITAE

Dr Cinzia Papadia MD, FRCP Consultant Gastroenterologist

77 Chelmsford Road, London E182PR, UK
Tel: +44 (0) 7445690921(Mobile)+44 (0) 2085049050

E-mail: cinzia1papa@gmail.com
cinzia.papadia@nhs.net

Date of Birth: 2nd August 1965
Marital status: Single
Nationality: Dual (British and Italian)
Languages: English and Italian (mother tongue)

EDUCATION AND QUALIFICATIONS

- Mar 1990 University Degree in Medicine and Surgery "110/110 with distinction" from the University of Bologna-Italy. Thesis: "N-Butil Cianoacrilate in gastric varices haemostasis".
- May 1990 License to practice Medicine in Italy; (Italian equivalent of GMC full registration)
- Oct 1994 Diploma of Specialization in Gastroenterology "90/90 with distinction and publicetur" from the Department of Gastroenterology, University of Perugia, Italy. Thesis: "Endoscopic treatment of upper gastrointestinal bleeding."
- May 2004 Academic Certificate in English (IELTS examination in London), "International English Language Testing System" Academic module (sponsored by the British Council; IELTS Australia and University of Cambridge ESOL Examinations). Total score of 7/9.
- Sept 2010 Medical Research Doctorate Degree (M.D.), Imperial College of Science, Technology and Medicine, University of London.
- Jan 2023 Certificate of competency to perform screening colonoscopy. Bowel cancer screener accreditation-colonoscopy. English bowel cancer screening program.

MEMBERSHIPS

United Kingdom GMC full registration (Number 6035297) – Nov 2001

Entry to the GMC Specialist Register for Gastroenterology - June 2003

Royal College of Physicians, London Fellow (Number 185301) - May 2013

Royal Society of Medicine, London Fellow (Number 00655746) - June 2008

British Society of Gastroenterology (BSG), 61461 Full UK Member (Jan 2015)
and National Committee Elected Member (Jan 2023)

Medical Defense Union Membership (Number 663894C) - July 2013

MEDICAL AND ACADEMIC EXPERIENCE

- May 2024 to date **Honorary External Assessor Master Course
In Clinical Nutrition** University of Tartu-Estonia
- October 2023 to date **Honorary Senior Lecturer Queen Mary
University of London** Centre for Immunology
Blizard Institute Faculty of Medicine and Dentistry
- October 2023 to date **Adjunct Professor University of Bologna**
Department of Medical and Surgical Sciences
- December 2019 to date **Consultant Physician & Gastroenterologist,
Clinical Nutrition Lead. Full time, substantive
post.** Whipps Cross University Hospital, Barts Health
Trust, London, UK. Queen Mary University of
London(Bart's and the London School of Medicine)
- General Gastroenterology/IBD clinics
General upper/lower diagnostic/therapeutic
Endoscopy
Colorectal cancer screening lists
- Gastroenterologist of the week (GOW) 1:8 (Bracken &
B3 Wards)
Bleeding on call rota 1/7
Internal Medicine on call 1:27

Clinical/Academic supervision of juniors/Specialist Registrars, London Deanery Faculty of Medicine (Bart's and the London School of Medicine)

Research-Lecturing & Tutoring:

Gastroenterology - IBD + Nutrition

Peer Reviewing scientific papers and articles for International Scientific journals.

Sept 2018- Nov 2019

Consultant Gastroenterologist & IBD Lead full-time, Locum.

Princess Alexandra Hospital NHS Trust, Harlow UK

General Gastroenterology/IBD clinics

General diagnostic/therapeutic endoscopy, IBD endoscopy list (including on General Anesthesia).

Gastroenterologist of the week(GOW) 1:5 Harvey Ward

Research – Nutrition, inflammatory bowel disease.

Lecturing & Tutoring Msc Nutrition UCL London, Anglia Ruskin University medical students, F1-F2, SpR.

Aug 2016- July 2018

Consultant Gastroenterologist & Honorary Senior Lecturer

Homerton University Hospital, Queen Mary University of London, Faculty of Medicine London UK, full time, Locum.

General Gastroenterology Clinics & IBD

Gastroenterology Ward Round, GP advice and guidance, therapeutic and diagnostic upper and lower GI

1:7 On call bleeding rota

Research – Nutrition, inflammatory bowel disease.

Lecturing & Tutoring Msc Nutrition UCL London, Specialist Registrars, FI and FII

Academic supervisor for London Deanery, Faculty of Medicine Queen Mary University(Bart's and the London School of Medicine)

Sept 2014- July2016

Consultant Gastroenterologist IBD/Nutrition (Lead), Honorary Senior Lecturer University of East Anglia, full time, substantive post.
Norfolk & Norwich University Hospital, Norwich UK

General Gastro and Nutrition in-patient ward round, IBD/General Gastroenterology Clinic and acute post take.

Therapeutic and diagnostic upper and lower GI endoscopy

On call gastroenterology inpatients (weekends) and bleeding rota (nights and weekends)

Research – Nutrition, inflammatory bowel disease.
Lecturing & Tutoring Medical Students at University of East Anglia. Lead for Gastroenterology St George University Medical students.

Aug 2013-Aug 2014

Consultant Gastroenterologist full time, locum
Homerton University Hospital, Homerton Row,
London, E9 6SR

- General Gastroenterology in-patients ward round; outpatient clinic; therapeutic and diagnostic upper and lower GI endoscopy; on call bleeding rota; video-capsule endoscopy.

Clinical Supervisor F1-F2 for the London Deanery

Research – Nutrition, inflammatory bowel disease.

cancer.

Lecturing & Tutoring Medical Students at Queen Mary, University of London Faculty of Medicine (Bart's and the London School of Medicine)

Feb 2010 – 2020

Honorary Lecturer – Masters in Clinical Nutrition and Public Health
University College London, Gower Street, London,
WC1E 6BT

- Lecturing MSc students and providing support for student projects; participation in mentoring of students/seminars

May 2013 – Jul 2013

Consultant Gastroenterologist, full time, locum
The Princess Alexandra NHS Hospital Trust, Harlow,
Essex.

- Outpatient clinic; therapeutic and diagnostic upper and lower GI endoscopy.

Mar 2007 – May 2013

Consultant Gastroenterologist (Substantive post)
Parma University Hospital, Via Gramsci 14, Parma,
Italy

- General gastroenterology in-patients; general gastroenterology out-patients; IBD clinic (IBD Lead); upper and lower GI diagnostic and therapeutic endoscopy; on-call bleeding rota, and a 1 in 16 on-call commitment to general medicine.
Research, Lecturing & Tutoring on IBD & Nutrition to medical students and trainees in gastroenterology, Faculty of Medicine, University of Parma.

Apr 2006-Mar 2007

Senior Lectureship and Honorary Consultant Gastroenterology & Nutrition (two year contract – *National fellowship grant awarded by the Italian Ministry of Education*)

Modena University Hospital Polyclinic, via del Pozzo 71, 41122 Modena. Parma University Hospital, Via Gramsci 14, Italy

- General Gastroenterology and Hepatology in-patient, IBD clinic.
- **Research; Lecturing and Tutoring** medical students and dieticians from University of Modena, providing support for student projects; participation in the mentoring of students/seminars and MD thesis in Nutrition.

Jan2004-April 2006

Associate Specialist in Gastroenterology, full time, substantive post.

Ealing Hospital, Uxbridge Road, Middlesex UB1 3HW
London

- The job involved diagnostic and therapeutic upper and Lower GI endoscopy lists and general Gastroenterology Outpatients Clinics.
- **Lecturing** in Gastroenterology. Tutoring medical students and Specialist Registrars in Gastroenterology - Imperial College University of London, Faculty of Medicine.

Jan 2002-Jan 2004

Senior Clinical Research Fellow in

Gastroenterology St Mark's Hospital, Watford Rd, Harrow, Middlesex HA1 3UJ London, UK.

- Clinical management of IBD and nutrition in-patients; upper and lower GI endoscopic sessions in elective and emergency situations (took part in the endoscopy bleeding rota), outpatients' clinics and nutrition clinic.
- **Research, Lecturing & Tutoring** in IBD & Nutrition to medical students and SpRs leading to MD (Research) Degree - awarded in 2010.

Jan 2000-Dec 2001

Senior Registrar in General Medicine &

Gastroenterology, full time, substantive post District General Hospital "Vito Fazzi" Piazzetta Muratore 1, 73100 Lecce, Italy

- General medicine in-patient care (including gastroenterology patients), acute on-call general medicine and endoscopy bleeding on-call rota, general gastroenterology clinic, diagnostic and therapeutic GI endoscopy.
- Delivering lectures to X-ray technicians and F1 Foundation doctors

Jan 1996-Dec 1999

Clinical Fellow in Gastroenterology& Endoscopy

(Part Time)

"Prof N. Petrucciani Hospital (mixed private and NHS funded care) Viale Aldo Moro 38, Lecce, IT.

General gastroenterology and internal medicine in-patients; general gastroenterology + out-patients Upper and Lower endoscopy lists

Nov1994-Dec 1997

Higher Clinical Training Fellowship

Gastroenterology, Bellaria Hospital, Via Altura 3, Bologna, IT. Gastroenterology clinic, inpatients and outpatient Endoscopy, Clinical Audits, Seminars, Journalclubs, Research in Gastroenterology and Digestive Endoscopy

COMPUTER/IT SKILLS

- Word, Excel, PowerPoint
- PubMed and Cochrane for literature searches
- Unisoft Endoscopy Reporting Software- End base (Olympus)
- Video-Capsule Reporting Software
- EPR (CERNER, UK)

AWARDS AND RESEARCH GRANTS

Dec 2023 Elected Member of the British Society of Gastroenterology Clinical Research Group: "Food and Function" Committee Member

June 2017 British Society of Gastroenterology 2017 Annual Research Prize: Abstract of distinction & best poster award

- "THERAPEUTIC ACTION OF KETOGENIC ENTERAL NUTRITION IN OBESE AND OVERWEIGHT PATIENTS: A RETROSPECTIVE INTERVENTIONAL STUDY"
Cinzia Papadia*¹, Paul Basset², Gianfranco Cappello³, Alastair Forbes *and* Ray Shidrawi¹

Nov 2016 Annual R&D Conference Homerton University Hospital, First prize:

Research awarded "EFFECT OF NARROW SPECTRUM VERSUS SELECTIVE KINASE INHIBITORS ON THE INTESTINAL PROINFLAMMATORY IMMUNE RESPONSE IN ULCERATIVE COLITIS" Paolo Biancheri, Martyn R. Foster, Matthew C T Fyfe, Thomas T. Macdonald, Sameer Sirohi, Yemisi Solanke, Eleanor Wood, Cinzia Papadia, Adele Rowley, Steve Webber, Claire A. Walshe

Nov 2014 Annual R&D Conference Homerton University Hospital First prize:

- RESEARCH AWARDED: "LACK OF THYMIC STROMAL LYMPHOPOIETIN DOWN-REGULATION ON MUCOSAL PRO-INFLAMMATORY CYTOKINES IN REFRACTORY COELIAC DISEASE." Biancheri P, Papadia C, Di Sabatino A, Fornasa G, Tsilingiri K, Wood E, Forbes A, Shidrawi R, Rescigno M, Corazza G, Macdonald TT

- May 2013 Poster of distinction American Digestive Disease Week in Orlando, Florida. The poster awarded was titled:
- "IDENTIFICATION OF SYNE1 AND FOXE1 HYPERMETHYLATION TO IMPROVE DIAGNOSIS AND MANAGEMENT OF COLORECTAL NEOPLASIA IN INFLAMMATORY BOWEL DISEASE"
C. Papadia, P. Del Rio, P. Bassett et al
- Jan 2008 Peer reviewed research Grant
Cariparma Foundation Palazzo Bossi Bocchi.
Strada Caprazucca - 4 - Parma - PR - 43121
- Project awarded: "FOX E1 AND SYNE1 GENES HYPERMETHILATION AS A PROMISING BIOMARKER IN COLITIS- ASSOCIATED COLORECTAL NEOPLASIA".
- Apr 2006 Peer reviewed Research fellowship
Ministry of Research & University "Brain back " (www.rientrodecervelli.net)
- Project awarded: "PLASMA CITRULLINE CONCENTRATION IS A RELIABLE MARKER OF INTESTINAL INTEGRITY".
- May 2003 Peer reviewed Research grant in Nutrition Research& Development, St Mark's Hospital, London UK
- Project awarded: "PLASMA CITRULLINE CONCENTRATION IN INTESTINAL FAILURE".
- June 2003 Peer reviewed International Fellowship
- Italian Society of Digestive Endoscopy
 - Higher international training in Endoscopy
- Sept 1992 Peer reviewed Fellowship for SpRs
- Italian Society of Digestive Endoscopy
- June 1992 Peer reviewed, National Fellowship (abstract)
- Participation in the 14th National Congress of the Italian Society of Digestive Endoscopy (Catania Italy). Oral Presentation.

CONFERENCES PRESENTATIONS, LECTURES AND SEMINARS

19^h June 2024 (*Accepted*)

Oral Presentation "GASTROPANEL: an effective tool to triage patients with dyspepsia at high-risk of gastric carcinogenesis British Society of Gastroenterology Birmingham, United Kingdom.

20th May 2024 (*Accepted*)

Poster Presentation "GASTROPANEL: an effective tool to triage patients with dyspepsia at high-risk of gastric carcinogenesis Digestive Disease Week Washington, United States

30th June 2023

Poster presentation: " GastroPanel to triage dyspeptic patients with high risk of developing gastric adenocarcinoma" World Congress on Gastrointestinal Cancer. Barcelona ES.

18th Feb 2021

Invited speaker "Lectio Magistralis: Medical therapy in Inflammatory Bowel Disease" Auditorium, Prof N. Petrucciani Private Hospital, Lecce IT

21st June 2022

Oral presentation at the British Society of Gastroenterology Meeting Live 2022: "A new pathway for detection, diagnosis and management of patients at risk of gastric adenocarcinoma"

25th June 2018

E-poster presentation at Royal College of Physicians Conference: Innovation in Medicine "Therapeutic action of ketogenic enteral nutrition in obese and overweight patients: a retrospective interventional study".

20th June 2017

Poster presentation & abstract of distinction British Society of Gastroenterology meeting 2017: Prize award small bowel and nutrition section "Therapeutic action of ketogenic enteral nutrition in obese and overweight patients: a retrospective interventional study".

28th Sept 2015

Lecture at the Clinical Ground Round Norwich Norfolk University Hospital (NNUH). "Short bowel syndrome and new research trends in Intestinal failure"

9th June 2015

Invited speaker at the Colonoscopy Masterclass (second edition), Bologna Italy at Toniolo Institute, hosted by University of Bologna: "Surveillance colonoscopy in IBD and the use of dye spray"

25nd March 2015

Invited speaker at the Colonoscopy Masterclass held in Bologna, Italy at Toniolo Institute hosted by University of Bologna. "The use of chromoendoscopy in surveillance IBD"

17th October 2014

Invited speaker at the Homerton University Hospital Academic Meeting. The lecture dealt with: "New trends in nutrition research: Intestinal Failure"

22nd August 2013

Invited speaker: International Seminars on Planetary Emergences organized by the World Federation of Scientists. Erice, Italy. The title of the lecture: "Markers of gastrointestinal malabsorption in AIDS"

18th-21st May 2013

Poster presentation (Poster of Distinction Award) at the American Digestive Disease Week in Orlando, Florida: "Syne1 and Foxe1 Hypermethylation to Improve Diagnosis and Management of Colorectal Neoplasia in Inflammatory Bowel Disease".

Poster presentation: at the American Digestive Disease Week in Orlando, Florida. "Sensitivity & specificity of Magnetic Resonance Enterography. Clinical management of Fistulising Crohn's Disease".

26th June 2013

Poster presentation: at the British Society of Gastroenterology Meeting in Glasgow. "Is plasma citrulline concentration a reliable marker for diagnosis and clinical management of coeliac disease?"

19th -22nd March 2013

Three poster presentations at the Italian Digestive Disease National Meeting held in Bologna.

24th November 2011

Invited speaker at the Italian Society Gastrointestinal Disease Meeting held in Modena, 24 November 2011 with a lecture entitled: "Treatment of mild to moderate UC and CRC prevention"

30th September 2011

Scientific Director and Faculty member/speaker at the International Meeting held in Parma: "News and Advances in Gastroenterology: from Science to Prevention". Title of the oral presentation: "New clinical tools for cancer prevention in IBD".

5th March 2011

Oral presentation: at the National Meeting of the Italian Society of Digestive Diseases. Turin, lecture entitled: "Modulate cancer surveillance in IBD: Foxe 1 and Syne1 Hypermethylation in colitis associated colorectal cancer".

28th May 2010

Scientific Director/speaker at the meeting: "The Parma Citrulline Day". Delivered a lecture titled: "Citrulline & intestinal adaptation".

24th May 2010

Poster presentation: at the American Digestive Disease Week in New Orleans May 2010. "Modulating cancer surveillance in IBD".

6th November 2009

Invited speaker and Chairman at the meeting: "The London Citrulline Day" sponsored by the University College of London and University College London Hospitals (UCLH), to deliver lecture: "Citrulline is the best single marker of intestinal functional integrity"

5th March 2009

Oral presentation: at the National Meeting of the Italian Society of Digestive Diseases. Milan. Title of presentation: "Plasma Citrulline concentration in tropical Enteropathy"

10th May 2009

Invited speaker at the conference, held in Modena, hosted by the President of the "Emilia Romagna Biologists Association" on food intolerance with a lecture on: "Food intolerance in Crohn's disease: from polymeric diet to exclusion diet"

10th Jun 2009

Invited speaker at the Gastroenterology meeting organized by The Faculty of Medicine University of Parma, held at Parma University hospital, with a lecture presentation: "Epidemiology and risk factors in IBD"

20th March 2009

Scientific Director/speaker of the meeting "Ethical issues in medical research and clinical trials" held at Parma University Hospital, Italy. I delivered a lecture on: "Ethics in Clinical Research."

20th October 2007

Scientific Director/speaker at "The IBD study day: Crohn's disease fistulae & malabsorption" held at Parma University Hospital. Title of lecture: "Citrulline and short bowel syndrome."

20th March 2006

Oral presentation: at the Annual Meeting of the British Society of Gastroenterology (BSG) at the International Convention Centre, Birmingham. Lecture entitled: "Plasma Citrulline Concentration is a reliable marker of small bowel absorptive function".

17th May 2008

Poster presentation: American Digestive Disease Week, San Diego, California "Plasma Citrulline concentration is a reliable marker of small bowel integrity".

13th May 2005

Invited speaker at the annual meeting "The IBD Study Day" St Mark's Hospital London, UK) with a lecture entitled "Etiopathogenesis of IBD"

13th November 2003

Invited lecturer at the course for "senior officers" sponsored by the Department of Clinical Studies at Imperial College, University of London co-ordinated by Prof. Jacinta Arnold at Ealing Hospital, London, UK with a lecture entitled: "Familiar adenomatous polyposis (FAP)".

15th June 2003

Invited lecturer at the course for "senior officers" sponsored by the Department of Clinical Studies at Imperial College University of London co-ordinated by Prof. Jacinta Arnold at Ealing Hospital, London, UK. Title of the lecture was "Intestinal Failure and Short Bowel Syndrome".

15th January 2003

Invited speaker at the "The IBD Study Day" conference, St. Mark's Hospital, London UK with a lecture entitled "Clinical Features of Inflammatory Bowel Disease."

21st March 2001

Scientific director/speaker at "Obscure and Occult Digestive Bleeding" meeting endorsed by University of Lecce. Lecture topic: "Endoscopic treatment of Dieulafoy's ulceration".

6th February 1999

Scientific director/speaker at: "The Study Day on Barrett's esophagus" endorsed by University of Lecce. Lectured on "New guidelines for endoscopic surveillance of Barrett's."

25th October 1997

Scientific director/speaker at the National Workshop organized by the University of Lecce under the patronage of the Italian Society of Gastroenterology and the Italian Society of Digestive Endoscopy. "Gastro-oesophageal reflux disease: a multidisciplinary approach".

6th June 1996

Scientific director/speaker at the meeting endorsed by the University of Lecce "News and Developments in Digestive Endoscopy". The subject: "New and emerging endoscopic techniques in clinical management of upper digestive bleeding".

11th November 1992

Oral presentation fellowship at the VII National Symposium of the Italian Society of Digestive Endoscopy with two lectures entitled "Laparoscopic cholecystectomy in a mixed medical and surgical team" and "Applications of Cyanoacrylates in Varicose and non-Varicose lesions.

23rd April 1992

Oral presentation at 1st – Three Regions Conference (Emilia-Romagna, Tuscany and Lazio) Italian Society of Digestive Endoscopy (Marina di Ravenna) with a lecture entitled "Colonoscopy how? When? Why?"

27th September 1991

Oral presentation at 1st Congress of Surgical and Digestive Endoscopy, Viterbo with a lecture entitled "The use of cyano-acrylates in digestive endoscopy.

PRINCIPAL RECENT INTERNATIONAL COURSES

25th -16th April 2024

Medicine 24
Royal College of Physicians, London UK

3rd-5th September 2017 - 2022

Delegate at the Royal Free International Advanced Endoscopy Masterclass, at the Royal Society of Medicine, London UK

3rd November 2022

Delegate at King's Live. King's College Hospital London, UK

November-March 2019-2023

Delegate at IBD forum-Royal Society of Medicine London, UK.

Nov 2022

Good Clinical Research Course, NIHR UK

June 2013-2013

Delegate at the British Society of Gastroenterology meeting (BSG live)

Sept 2019-2022

Delegate at Sheffield Gastroenterology Symposium. Sheffield University Hospital, Sheffield UK

Hobbies

Participation in a variety of sports: cycling, hiking, gym, swimming. An avid reader, a fan of classical and blues music (concerts), attend theatre, cinema and exhibitions as often as possible. Support the Philharmonia Orchestra in London as a "Friend of Philharmonia" member. Participate in cycling competitions to help raise funds for charities- e.g. raised money for the British Red Cross as a cyclist in 2021.

Volunteering for teaching and tutoring when time allows (e.g. at the "Doctors for Africa" program, hosted at the Parma University Hospital in 2013 and sponsored by the Italian Ministry of Foreign Affairs).

Papers published in international peer-reviewed journals:
